

Leeds Takeover Challenge 2018

“Takeover Challenge is a fantastic opportunity for services to put children and young people in charge of decision making for a day!”

Councillor Lisa Mulherin, Executive Board Member for Children and Families

Takeover Challenge is a fun, hugely successful and exciting engagement project which sees organisations across England opening their doors to children and young people to take over adult roles. It puts children and young people in decision-making positions and encourages organisations and businesses to hear their views. Children gain an insight into the adult world and organisations benefit from a fresh perspective about their work.

Takeover Challenge launched on Friday 23rd November 2018. To ensure as many children and young people in Leeds get the opportunity to get involved, we encourage schools, organisations and services to run the Takeover challenge throughout November, although takeover activities can take place at any time of the year. Here are some of the schools, organisations and services who have taken part in the Takeover Challenge in November or have Takeovers planned in January / February 2019.
